PROJECT EXPERIENCE

AI-Native Job Application Automation Platform

2026 - Present

Role: Independent Product Development

- Designed and developed a Chrome-based workflow automation platform that converts unstructured resumes into reusable candidate profiles and streamlines repetitive job-application workflows.
- Built a hybrid field-matching engine combining rule-based recognition with optional AI-assisted parsing, achieving 90%+ field-recognition accuracy across varied recruiting platforms.
- Reduced application completion time from approximately 5–15 minutes to under 2–5 minutes through automated form completion, iterative workflow testing, and UI/UX improvements.

Business Simulation - PSU CAPSIM Competition

Spring 2024

Role: Strategy Lead & Team Leader

- Led cross-functional strategy and business decision-making across operations, finance, and marketing in a competition involving 20+ teams.
 - Led the team to 1st place overall through structured decision-making and aligned execution.
-

PROFESSIONAL EXPERIENCE

Digital Operations & Content Project Coordinator - Freelance

Apr 2022 - Present

- Supported end-to-end operations for a 300K+ follower social media brand across Chinese TikTok and Rednote, including content planning, publishing, audience engagement, performance tracking, and campaign execution.
- Coordinated brand partnership communications, project timelines, campaign deliverables, and external stakeholder follow-up.
- Planned and executed a viral growth initiative that generated 10M+ views and 100K+ engagements through content strategy, production coordination, and performance analysis.

Real Estate Agent Assistant / Operations Support - EHOMIE New York Inc.

Oct 2025 - Present

- Coordinated documentation, schedules, stakeholder communications, and transaction workflows across 10+ concurrent real estate transactions.
- Supported the successful completion of 5 residential transactions through client coordination, timeline follow-up, and operational problem-solving.

HR Operations Assistant - Touchdown

Mar 2022 - Jan 2024

- Supported HR communications, employee engagement campaigns, and day-to-day operational coordination.
 - Collected and analyzed 200+ employee survey responses and developed service-improvement recommendations; one adopted initiative increased participation by 12%.
 - Coordinated schedules, communications, and logistics with 5+ external partners and internal staff.
-
